

Commuter Parking

NJ Transit Parking Permit

The Borough of Hillsdale, in conjunction with New Jersey Transit, offers parking for commuters who travel the Pascack Valley Line or the bus line. There are two marked parking lots, located next to King's Shopping Plaza and adjacent to the railroad tracks and located on Winkler Way between Hillsdale Avenue and Park Avenue, also adjacent to the railroad tracks. Pursuant to Borough Ordinance 22-17D, parking in these lots requires a NJ Transit parking sticker until 10 A.M. weekdays. The NJ Transit parking permit is available to area residents in Borough Hall, 380 Hillsdale Avenue, Monday through Friday from 8 A.M. to 4 P.M. The parking permit cost is \$385.00 per calendar year. The fee is prorated after April 1st at \$32 per month. Commuters need to present a valid vehicle registration card for the vehicle to be issued a permit.

Borough Parking Permits are not valid stickers for parking in these lots. These, as well as all Borough parking lots are monitored by the Police Department to ensure compliance. Violators may receive a summons or be towed at the owner's expense.

NJ Transit Daily Parking is available for \$5.00 adjoining the railroad tracks between Hillsdale and Washington Avenues. On the train platform there is a yellow box with corresponding parking space numbers for the daily fee. Bills or coin accepted.

Resident Parking Permit

Residents of the Borough may obtain a Borough Parking Permit for the Borough Parking Lot (West Lot) located on Hillsdale Avenue, east of Patterson Street and west of the railroad tracks. The resident permit cost is \$125.00 per calendar year. One additional permit for the same household can be purchased for \$50.00. Resident permits can be obtained anytime at the Hillsdale Police Department, 380 Hillsdale Avenue, ground level. Residents need to present a valid vehicle registration card to the officer/dispatcher at the desk showing the Hillsdale address and you will be presented with a current Borough parking sticker.

Marked daily parking spaces (4) are available to Hillsdale commuters next to the fence on the west side of the Borough Parking Lot (West Lot) at \$2.00 per day. Payment can be made in the yellow box, on the train platform, with the corresponding parking space number.

If you do not require a permit to park in the municipal lot but require a sticker for the Borough DPW Recycling Center, please advise the officer/dispatcher at the desk and you will be issued a free permit for the DPW Recycling Center only.

The Borough Parking permit does not allow parking at either of the two NJ Transit Parking Lots.
