

## Duplicate Bridge Game in Hillsdale

The Recreation Department of Hillsdale has been offering a duplicate bridge game to Hillsdale residents and non-residents for many years. The game is held every Tuesday night at the Meadowbrook School gym located at 50 Piermont Avenue, Hillsdale, NJ 07642. The game runs from October through the end of May and players may join the game at any time during the year.

The game starts promptly at 6:30 PM and is over by 9:30 PM. Players need to bring a partner, but if you need someone to play with, partners can be arranged through one of the game's three directors. To find a partner or get more details about the game, please contact Lois at 201-391-8574, or Lynn at 201-664-0527.

The fee for Hillsdale residents is \$20 for the year, and \$40 for non-residents. New players to the game are free to come twice to the game before paying the fee. The game welcomes beginning players to Life Masters and offers a friendly, supportive environment for all levels of play.

There are directors at each game and scores are e-mailed to the players promptly following each game. Before coming for the first time, be sure to call one of the directors listed above to make certain the game is on for that Tuesday, as not all Tuesdays are available. There is plenty of lighted parking and players will find a warm welcome and a fun evening of bridge.
