WHEREAS, this report recommends merging all nine (9) public employee pension funds in the State of New Jersey into one plan that would be merged into a new defined contribution plan (also known as a 457 plan); and

WHEREAS, the report also recommends that the State of New Jersey transfer the responsibility for teacher pension payments to the local school districts; and

WHEREAS, the report further recommends that the school districts absorb and make payment on an as yet undetermined portion of the over \$80,000,000 unfunded liability for the teachers' pension plan; and

WHEREAS, if these two (2) recommendations related to the Teacher's Pension Plan are enacted, it will mean an immediate property tax increase to cover these costs which are currently paid for by the State or are future funding obligations of the State; and

WHEREAS, of the nine (9) public employee pension plans in the State of New Jersey, the seven (7) established for State employees will become insolvent within six (6) to seventeen (17) years; and

WHEREAS, there are two (2) pension plans that support local government employees, local PERS for municipal employees is solvent into perpetuity at current funding levels, local PFRS for police officers and firefighters is fully funding for the next forty (40) years at current funding levels; and

WHEREAS, the New Jersey State League of Municipalities, the New Jersey Municipal Management Association (NJMMA), and the Government Finance Officers Association (GFOA) are in agreement that the two (2) solvent local government pension plans should not be merged with the seven (7) State pension plans that are on the road to insolvency.
