**Membership:**

Total membership \$633,651.00

Total families 1,033

**Goal \$671,000**

The commission is looking to find or promote new incentives to join the pool for next summer. We can send out a survey as far as things members would like to see at Stonybrook. Discussion was held about an empty nester rate. Our out of town rate was also discussed to come down for next year.

We will make up a flyer to put out in the fall so that companies come and host their larger parties here. We can try opening our club up as a venue.

**RULES**

Swimwear:

We are having an issue with some members wearing thong bathing suits at the club. Patty believes it needs to be added to our rules for next year for family appropriate swim-wear to be left to our managers discretion.

Vaping:

We have no smoking in our rules, we should add vaping into that rule as well for clarification.

**SNACK BAR**

Food Handlers Certificate:

Patty is receiving many complaints about the snack bar service speed. Members have been complaining about the waiting, pricing, services, small selections, and the lack of utensils and napkins available. There have been issues with children losing their gift cards to the snack bar, maybe there could be a different solution for members to keep their money on an account.

The commission will request a meeting with them to discuss making improvements.

**Correspondence**

Esterlis – Nonmember use of guest pass

Rich– refund unforeseen expenses

Lobbi – Refund away most of the summer

After careful consideration the commission has unanimously voted to not issue any requested refunds or credits at this time.
