Topics for Discussion

Field/Gym Use Policy – discussed having a written policy in effect for field/gym use. Any punitive actions against coaches would be at the discretion of the individual sports associations.

Basketball – a new coordinator is needed this year. Program may need to be revamped. Number of practices scheduled should depend on grade level.

Recreation Director – may possibly need to revisit this issue

Citizens Budget Advisory Committee – Ann Cron spoke about this committee, which reviews purchase orders and bills. She suggested that the commissioners review bills monthly for both the trust and regular recreation budgets.

Meeting adjourned, 7:30PM (Holmes/Petro)

Respectfully submitted,

Marianne Reich
