Capital:

- We can no longer install the cameras by the garbage if this bill stands.
- New electrician will do the circuit panel under the slide and reinforce the other electric underneath there.

- Canvas guy came and put the awnings up.
- Landscaper is coming to clean up the outside of the club and will be mulched in May.
- Waterfall guy is going to fix that up.
- The office floor is going to be a production to move everything out and then retile.

Class - Time Management:

The requested course was not approved despite the same syllabus and requirements as the class further away.

PATTY'S GREAT IDEA: People have asked about lawn chairs and lounge chairs. Her concept is to buy the chairs and set up a section and rent the chair for the day. A gater would watch the section. \$100.00/lounge chair. Rental would be \$10/day per chair. They would obtain a flag or a ticket and return it at the end of the day. Order 25 chairs, \$2,500.00, could earn up to \$250 additional dollars a day.
