Correspondence

A family is requesting a refund due to their child's injury preventing said child from swimming. A discussion was held about honoring the family's request; however, the commission voted against issuing a refund.

Membership 2025

Patty gave our council liaison, Justin Fox, the revenue for the next council meeting. Our current revenue from membership is \$817,957.70 versus \$802,903.09 in 2024 at this time. There are currently 1141 memberships compared to 1132 memberships in 2024. \$956,000 is our current total revenue, and the goal is \$1,145,000.

Director's Report

The intermediate pool pump needs to be replaced, and the estimate to replace it may not be as high as originally anticipated.

There was an issue with the electric outlets in the competition pool pump houses this has been fixed. Patty is going to order spare parts and keep them in case any other problems arise with the pump. A discussion was held about hiring one of the DPW workers as a per diem employee for any emergency issues in the pump houses.

The front gate shutter door needs to be replaced. Patty got one estimate, and she is waiting for additional estimates.

Finally, the managers are working on a new rotation for the lifeguard staff due to the busyness of the club.

Other Business

Amelia presented the end of season survey for Stonybrook. She would like to keep it short and provide a QR code for members during the last days of summer. A discussion was held about its contents and how to get the best member response, and therefore, the best data for the 2026 Season.

The Council Liaison, Justin Fox, is absent, and therefore, there is no report from him.
