**HILLSDALE RECREATION COMMISSION**  
**MEETING MINUTES OF AUGUST 6, 2015**

**Attendance:** John Corring, Ann Cron, Patty Hughes, Abby Lundy, , John Noone, Lauren Dentato, David Dembowski, Andy Puller, Gerry Dargan

Absent: Rob Ricco, Council Liaison Anthony DeRosa

Guests in attendance: none

Recreation Commission President John Corring called the meeting to order at 7:54 pm

**Approval of Minutes:**

**Motion:** Ann Cron motioned to approve the minutes of the June 4th, 2015 meeting and Gerry Dargan seconded and the minutes were passed.

**Programs:**

**Camp:** Camp was held at three locations this year due to the roof at George White being replaced. Some days the Pascack Bible Church was not available so kids were doubled up at the Holy Trinity Church and it worked out fine. In whole the camp season was a great success. Patty will be sending out a letter in September requesting the use of George White for next year.

**Seniors:** We are no longer using the American Legion. We have moved to Holy Trinity Church. We expect to have at least one catered lunch a month here.

Ann Cron noted that since we have added the senior van on Mondays, it does not seem to be working or being utilized enough. Patty replied that since it is the summer numbers have been lower but she is monitoring the usage and if it is not used enough on Mondays we will cancel this day.

**NEBAS League:** Abby reported that the tournament went very well. There were 122 teams and 34 towns that participated. The 12U team that will be going to Cooperstown ran the snack shed. We had one team the boys 11U team win their championship and the boys 8U team made it to the championship. John said that Abby should be commended as did everyone else on the board. She worked really hard and made it a great success! Abby also added that the DPW and Butch really helped out and had all the fields ready and Butch fixed the lights after they were hit by lightning, but he still came down and manually turn on the lights on.

**Woman's Softball League:** Patty reported that we just recently had an incident. A player slid to get the ball but she could not get up after she slid. She did go to the hospital and it was reported that she had a fractured write/vertebrae and a concussion.

Kelly Baldwin who runs the program will be writing up an accident report.

**Lightning Detectors:** Patty reported that new lightning detectors were installed. However, over the weekend they went on and stayed that way. Abby received several calls and had to call the police to see if they were able to go back on the fields and Patty had the same issue at the pool. Patty will follow up with Butch.

**Correspondence:** None at this time.

**Misc:**

**Sports Agreements:**

John Corring reported that he is comfortable in inviting the heads of all the sports associations to the next meeting in September. He feels that the agreement looks good to present to them. After that the Association heads will have to bring it back to their boards so hopefully we will have this completed no later than December. This will include soccer, baseball, football and Hillsdale Hoops – all but Lacrosse.

**Remarks from Citizens:**

None

**Fields & Permits:**

None

Meeting adjourned, 8:13 pm (Corring/Dargan)

Respectfully submitted,

Denise Kohan
