Tony says thank you to everyone.

He said that the interim boro admin is retired and a new administrator has been hired.

He announces that Jamie Kohan is leaving the rec committee and that the boro engineer is still working on the plans for centennial and bid specs for Memorial.

Committee Comments

Greg wanted to know if he could be a clinician. If so would the boro pay for this training class? This would be very beneficial to the boro to have their own person who can teach a Rutgers class.
