

Dec 4, 2019

I am pleased to inform you that Hillsdale has been selected to receive funding of \$205,000 from the NJ Dept. of Transportation for the reconstruction of several streets in 2020. NJDOT's Municipal Aid Program is very competitive, with the funding coming from the state's gas tax. The NJDOT provides statewide assistance to local governments for improving and preserving local transportation networks. The affected streets will be Hillsdale Ave (between Cedar Lane & Everdell), Highland Ave, Midland Ave, Everdell Ave, and Maplewood Ave.

I wish to thank Christopher Statile, our Borough Engineer, for initiating and preparing the grant application, and the governing body for approving its submission.
