**HILLSDALE RECREATION COMMISSION  
MINUTES OF SEPTEMBER 5, 2013**

The Hillsdale Recreation Commission held its regular meeting on September 5, 2013 with Ann Cron, Rich Gazzillo, Andrew Puller, Peter Scandariato, Dawn Timpanaro, Alyssa Zoll, and Councilman Kelley in attendance.

Absent from the meeting were John Corring, Bob Darcey, Matt Hausch, and Patty Hughes.

Chairman Peter Scandariato called the meeting to order at 7:00pm.

The minutes of July 11, 2013 were approved (Cron/Timpanaro)

**Topics for Presentation/Discussion**

Abby Lundy, president of HBSA, spoke about Jared Verebey who has started a 16u baseball team which consists of Bergen Catholic students who are not all Hillsdale residents. He continuously sends permit requests to the recreation department, but does not respond to emails from Ms. Lundy. He is using fields when they are closed. Ms. Lundy will not give approval for him to play.

Fall girls softball has no field for home games. Football has denied requests to use Beechwood on Saturdays because they insist that it will ruin the lines on the field.

Soccer – the season has just started. There was a pre-K clinic for the first time on Saturday mornings at George White. These clinics are run by professional trainers. The pre season mini camp went well.

Hillsdale Town Day – this Saturday.

**Liaison to Mayor and Council**

Councilman Kelley stated that the lighting issue will be discussed soon.

Meeting adjourned, 7:20pm (Gazzillo/Timpanaro)

Respectfully submitted,

Marianne Reich
